Event Centre

The AEFAA executive is proud to welcome and host you at the President's reception. This social event includes food and beverages and is a great opportunity to relax and renew acquaintances.

Tuesday May 12

7:30am – 9:00am Conference Registration
Hotel Lobby

9:00am – 10:15am Opening Ceremonies and Keynote Speaker: **Allan James Moore**

Allan J. Moore, is a storyteller who has travelled to over fifty countries and worked on 4 continents. He holds a Master of Arts in Leadership Degree and has been a CRSP since 2010 serving on the Board of Canadian Safety Professionals (BCRSP) Professional Conduct Committee since 2017. In addition to his travels, he has over 16 years' experience in environment, health and safety; 10 of those years working for Wood Environment & Infrastructure Solutions (formerly known as Amec). Al began his speaking career doing stand-up comedy at Yuk Yuks, The Comic Strip and the Laugh Shop comedy clubs. He then moved onto a position in Taiwan working as a mandarin translator and HSE Manager with Stanley Tools. In this position he was tasked with presenting Stanley's corporate programs to the various Stanley offices and key suppliers around Taiwan and China through speeches and workshops in Mandarin (which Al learned living in Taiwan a few years prior). Ten years ago, Al moved back to Calgary to begin working for Wood Environment & Infrastructure Solutions in their OHS department. In this position he frequently delivered safety speeches to project personnel on major projects for a variety of clients such as Enbridge, Imperial Oil, Suncor, TransCanada, Nalcor and many others.

10:15am – 10:30am Break

Session A 10:30 -12:00 IPD – Terri Gosine - Edmonton Public School Board, Terri Gosine. Terri is the Director of Integrated Infrastructure Services and she can help you be a tool to improve school infrastructure by aligning school boards, designers, and contractors under a single collaborative network. This session examines how an IPD model can assist to optimize value in IMR and CMR delivers more predictable, value driven outcomes for essential educational environments.

Session 10:30 -12:00 Flooring Commissioning – David Dwyer – A veteran in the flooring and construction sectors. David has been involved in the flooring industry for over 25 years as an installer, owner of a flooring retail store, owner of a national flooring services enterprise, consultant, and now as an independent quality assurance inspector. He holds certifications as an installer, sand and finishing technician, multiple designations from a variety of product manufacturers, certified concrete moisture testing technician, and also as a certified inspector.

12:00pm – 1:00pm

Lunch with Partners
Monaco

2:00pm – 6:00pm

50th Annual AEFAA Trade Show
Event Centre

Once again, we are hosting our very popular trade show and once again, we anticipate being sold out. We have 90 booths with nearly as many vendors ready to represent our industry and show us what's new and great in our ever-changing environment.

This year's theme is the Great Outdoors! It's one of the easiest themes to participate in and we are all very excited to see how our delegates and exhibitors will be participating!

6:00pm – 7:00pm

Dinner
Event Centre

7:00pm – 8:00pm

Draws
Event Centre

Join us for our ever-popular fishbowl draws and the grand prize draw, sponsored by our favorite vendors!

8:00pm – 12:00am

Trade Show Social
Event Centre

All attendees of the trade show, exhibitors, and delegates, are invited to share this social time after the trade show to network and enjoy each other's company after a busy day.
